

The ECHOS

Great Music, Great Times

The ECHOS are comprised of professional musicians, lead and background vocalists, with decades of experience. Highly trained and highly experienced, our diverse influences ranging from **Classic Rock, Oldies, Motown, Doo-Wop, Top 40, Disco and everything else in-between**, bring a real authenticity to all the music we play – true to the original artist! We have over 150 years of live performance playing experience and our song list spans six decades!

Playing with a variety of bands over the last several decades, we've also built up quite a following over the years!

Anthony

Bobby

Jim

Ken

Ricky

Craig

Anthony – Anthony is our lead singer, and has been a frontman/lead singer for various bands over the last 25 years, most recently with the vocal duo The ECHOS. Anthony has the unique ability to capture the singing style and sound of various artists from the 1950's through Today.

Jim - Jim began his musical career in New York in the 1960's with his own band that also backed up popular acts of the time including the Tymes, Dixie Cups, and Del Vikings. Jim is the Band's keyboardist, but also doubles on Guitar and solidifies the harmonies with his background vocals.

Ken - Ken has been a Bassist for decades, bringing his musical talent to several bands in New Jersey, including the Cameos. Ken adds great harmonies with his background vocals as well!

Ricky - Ricky is our Lead Guitarist and has played in various venues in New Jersey, including a very popular Sting tribute band. Ricky also lends his voice to background vocals as well.

Bobby - Bobby has a long history with local bands, and adds background vocals and percussion to The ECHOS Band. Every once in a while we even let him sing a lead or two!

Craig - As a founding member of "Strictly 60's", "Route 66", & Johnny D & The Decades" to name a few, Craig has been keeping the beat for several local bands in NJ and Staten Island for many years.

Music & Links

We feature an extensive song list and are continually adding new songs. We have plenty of dance songs, ballads and performance and party numbers to meet any need.

We play songs by:
